

PA PQC Learning Session
Tuesday, June 29
8:30 a.m. to 12:30 p.m.
Zoom

Register Here: <https://www.whamglobal.org/learning-collaborative-06-29-2021>

Learning Objectives

- Describe the PA PQC's collective successes, expectations, initiatives, and future directions
- Describe why it is important to collect race and ethnicity data and best practices
- Discuss key messages and communication materials for discussing COVID-19 vaccines with pregnant and postpartum individuals
- Discuss how to problem-solve the challenge, improvement opportunity, or question you are working on with your team through the PA PQC
- Identify action items to take back to your PA PQC team to inform your QI initiatives
- Describe when and how to educate patients and families about maternal OUD and NAS, including key messages related to breastfeeding, and how to engage staff in using evidence-based patient education materials
- Describe best practices for SUD/OUD screening, testing, and follow-up

Agenda

8:30 a.m. to 8:45 a.m. – **PA PQC Successes, Developments, & Updates** – Robert Ferguson, MPH, Chief Policy Officer, Jewish Healthcare Foundation (JHF)

8:45 a.m. to 9:35 a.m. – **Best Practices for Collecting Race and Ethnicity Data** – Aswita Tan-McGrory, MBA, MSPH, Director, The Disparities Solutions Center
