

# Immediate Postpartum LARC

Danielle Johnson, DO

Director, Family Planning

St. Luke's University Health Network

# Successes

---

- ACOG PCAI is an invaluable resource
- Departmental interest
- Early involvement
  - Lactation, nursing, residents, pharmacy
- Contraceptive counseling

# Lessons Learned

---

- Start working with billing/coding early
- Evaluate documentation
  - Example: Gateway MA requires specific diagnoses “encounter for advice on contraception” (Z30.09), endometriosis, menopausal symptoms or menorrhagia
