

PA PQC Learning Session
Wednesday, December 16
8:30 a.m. to 12:30 p.m.

Zoom: <https://zoom.us/j/5278017887>

Learning Objectives

- ✓ Describe the findings from the analysis of the 2013-2018 Pregnancy-Associated Deaths in Pennsylvania and the connections to the PA PQC's priorities for 2021
- ✓ Discuss the OB/GYN-related findings from the PA Prescription Drug Monitoring Program's data and its implications
- ✓ Describe how to adopt the Eat, Sleep, Console approach to NAS care and problem-solve common barriers related to implementing this approach
- ✓ Describe lessons learned and tactics for breaking through barriers related to implementing the AIM Severe Hypertension in Pregnancy Bundle
- ✓ Describe WIC services and how to improve collaboration with and referrals to WIC
