

# Pregnancy, Baby, and Young Child Home Visiting Program

## WHO is home visiting for?

Pregnant moms.

Parenting families with new babies.

Parenting families with young children.

## WHAT may happen during a home visit?

Learn how your child (or children) grows and develops.

Talk about feelings and values.

Learn new ways or skills to better support your child (or children).

Get connected to community resources.

## WHEN does home visiting happen?

Throughout your pregnancy, and also during early childhood.

## WHERE does the visit happen?

In the comfort of your home!

Personalized visits for you and your family.

No need to travel.

Creates open and supportive space for you and your family.

## WHY is home visiting important for me and my family?

Helps moms and babies stay healthy.

Gives children tools and skills to help get ready to start school.

Helps you and your family set and meet goals.

Finds supports available to you and your family.

## HOW can I be part of the program?

This is to help you learn about your medical condition. It is not to take the place of your doctor. If you have questions, talk with your doctor. If you think you need to see your doctor because of something you have read in this information, please call your doctor. Never stop or wait to get medical attention because of something you have read in this material.

This managed care plan may not cover all your health care expenses. Read your contract carefully to determine which health care services are covered.
