- Change Your Zoom Name to First and Last Name and Organization
- This Learning Session is being recorded
- This is a collaborative, “all teach, all learn” – please share your experience and questions!
- Scan the QR code for your virtual packet:

Continuing Education Information

In support of improving patient care, this activity has been planned and implemented by the University of Pittsburgh and The Jewish Healthcare Foundation. The University of Pittsburgh is jointly accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** and the **American Nurses Credentialing Center (ANCC)**, to provide continuing education for the healthcare team. **4.00 hours are approved for this course.**

As a Jointly Accredited Organization, University of Pittsburgh is approved to offer social work continuing education by the **Association of Social Work Boards' (ASWB)** Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. University of Pittsburgh maintains responsibility for this course. Social workers completing this course receive **4.00 continuing education credits.**

Disclosures

No members of the planning committee, speakers, presenters, authors, content reviewers and/or anyone else in a position to control the content of this education activity **have relevant financial relationships** with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients to disclose.

Disclaimer

The information presented at this Center for Continuing Education in Health Sciences program **represents the views and opinions of the individual presenters**, and does not constitute the opinion or endorsement of, or promotion by, the UPMC Center for Continuing Education in the Health Sciences, UPMC / University of Pittsburgh Medical Center or Affiliates and University of Pittsburgh School of Medicine. Reasonable efforts have been taken intending for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program attendee must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

12/14 Learning Objectives

- Discuss the **successes and future directions** of the PA PQC based on the PA PQC's structure and process measures.
- Describe a model for **collaboration** between **community** perinatal health workers and hospital quality improvement teams.
- Describe actionable steps to take after collecting and disaggregating **data by race and ethnicity** to increase maternal and neonatal health equity.
- Discuss statewide **MMRC and Child Death Review data** and how it relates to PA PQC initiatives.
- Describe successful **partnerships** between hospital QI teams and **patients with lived experience** and the steps taken to achieve these collaborations.

PA PQC was formed by...

- PA DDAP, DHS, and DOH *as an action arm of the MMRC*
- Preemie Network and PA AAP
- March of Dimes PA PQC Task Force
- PA PQC Advisory and 10 Work Groups (200 people)
-  NEPaPQC
