

The logo for the Pennsylvania Perinatal Quality Collaborative (PA PQC). It features the letters 'PA' in white, with the 'A' partially filled by a blue silhouette of the state of Pennsylvania. To the right of this is the text 'PQC' in a large, bold, blue sans-serif font. Below the logo, the full name 'Pennsylvania Perinatal Quality Collaborative' is written in a smaller, red sans-serif font.

Northeastern Pennsylvania Perinatal Quality Collaborative

The PA PQC is Building on Statewide Efforts

- Premie Network and AAP
- West Chester University Pilot Study with the Vermont Oxford Network (VON)
- PA PQC Task Force
 - Facilitated by March of Dimes

The PA PQC is designed to help birth sites and NICUs drive improvement and adopt standards of care towards the three aims

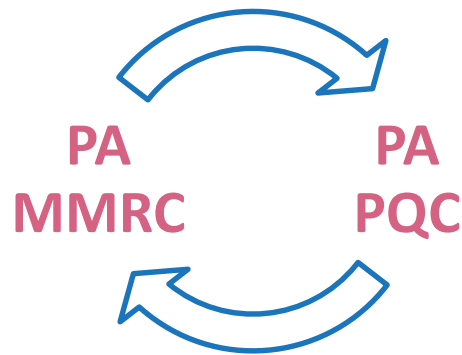

If the PA PQC does not help your team do this, let us know

PA PQC Aims

- ✓ Reduce maternal mortality and morbidity
- ✓ Improve Identification of and Care for Pregnant and Postpartum Women with Opioid Use Disorders (OUD)
- ✓ Improve Identification of and Care for Opioid-Exposed Newborns (OEN)

PA PQC is Leveraging Statewide Efforts

- Coordinates with DOH's, DHS', and DDAP's Multi-Disciplinary Workgroup on Infants with Substance Exposure (MDWISE) to disseminate guidelines (e.g., Plans of Safe Care)
- Serves as an action arm of the PA DOH Maternal Mortality Review Committee (MMRC)

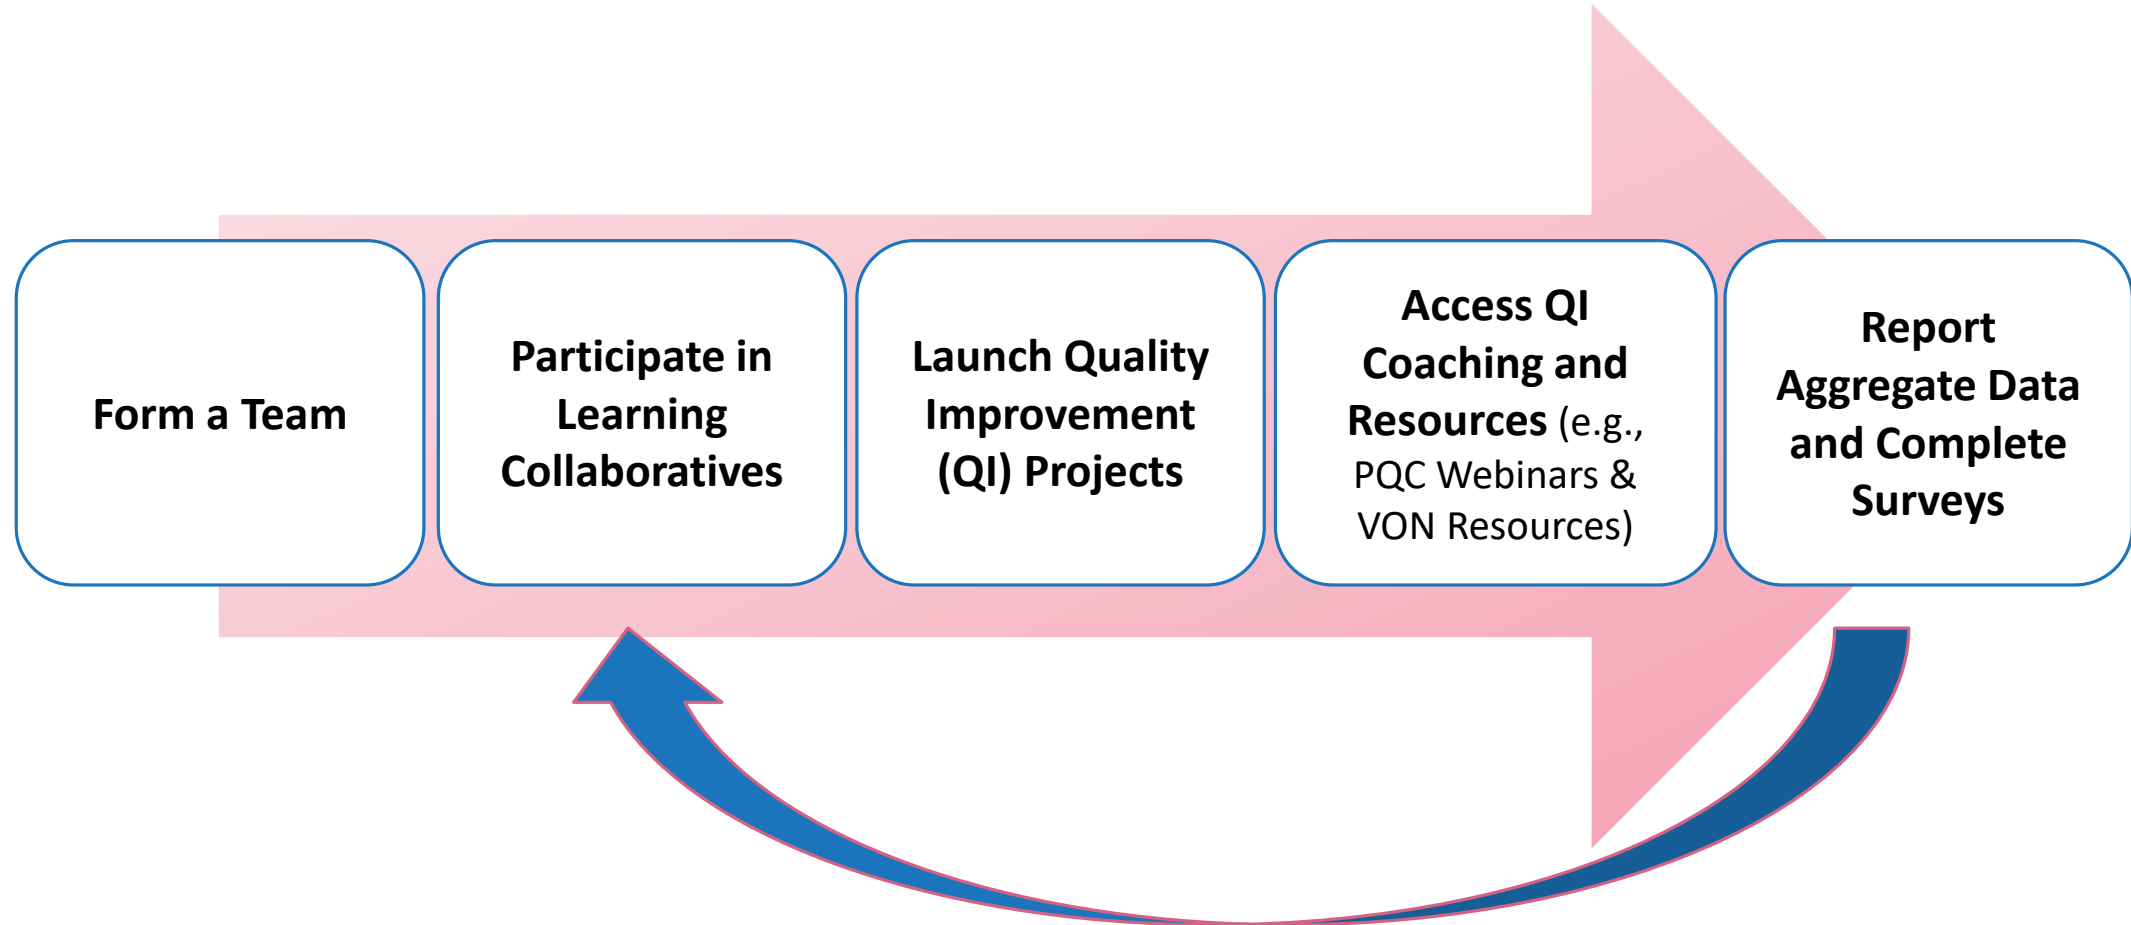

60 birth sites

11 health plans

New PA PQC Sites – Welcome!

- Crozer-Keystone Health System
 - Crozer-Chester Medical Center
 - Delaware County Memorial Hospital
- Doylestown Hospital
- Einstein Medical Center Montgomery

Journey through the PA PQC

A Great Resource for Your Team: PA PQC QI Coaching

In collaboration with your team, the coach:

- Coaches teams on how to apply QI concepts, methods, and tools
- Facilitates structured development of your team's QI plan
- Provides feedback on QI plans (including challenges)
- Discusses data collection approaches
- Connects teams to PQC materials and resources

Logistics and Reminders

- **If you have questions or feedback about the PA PQC**, please visit the registration table during breaks and lunch (copies of FAQs are available)
- **Register for the PA PQC Key Intervention Webinar on Immediate Access to Postpartum LARC on 11/18 from 10 am to 11 am:**
<https://www.whamglobal.org/member-content/register-for-sessions>
 - Speaker: Sara Horvath, MD, Darney/Landy Fellow, ACOG
- **Register for the 12/11 PA PQC Learning Collaborative no later than 2 WEEKS prior to the session:** <https://www.whamglobal.org/member-content/register-for-sessions>
- **Complete PA PQC MM, OUD, and NAS Surveys for April through September in October:** <https://www.whamglobal.org/data-collection>

Reminder about VON Day Audits

- If your PA PQC site registered to participate in the VON Day Quality Audits via the PA PQC:
 - Sites will submit 4/1/19 to 6/30/19 data during the 10/21/19 to 10/25/19 period
 - Sites will submit follow-up data in October 2021

Examples of New Content

- ✓ QI Resources
- ✓ SUD Screening Webinar
- ✓ Patient and Family Engagement Webinar

The Pennsylvania Perinatal Quality Collaborative (PA PQC) was launched in April 2019, with a focus on reducing maternal mortality and improving care for pregnant and postpartum women and newborns affected by opioids. Over 40 birth sites and NICUs and over 10 health plans across the Commonwealth are actively identifying perinatal processes that need to be improved and quickly adopting best practices to achieve the common aims around maternal Opioid Use Disorder (OUD), Neonatal Abstinence Syndrome (NAS), and maternal mortality. Please click the links below to view the PA PQC's Driver Diagrams for these focus areas.

- [OUD Driver Diagram](#)
- [NAS Driver Diagram](#)
- [Maternal Mortality Driver Diagram](#)

For an overview of the PA PQC, please view this [brief](#) and the [Frequently Asked Questions \(FAQs\)](#).

Goals for the Day

Robert Ferguson, MPH
Jewish Healthcare Foundation

Learning Objectives

1. Identify how to work with **community-based resources** in Pennsylvania on PA PQC goals and quality improvement plans
2. Describe how other PA PQC sites are implementing **quality improvement projects** towards the collective aims of the PA PQC
3. Describe the **provider's and patient's perspectives and experiences** with maternal OUD care
4. Discuss how to engage women with OUD in prenatal care by **addressing bias and being non-judgmental**
5. Describe how to perform **multidisciplinary system-level reviews** on all cases of severe maternal mortality and regular formal debriefs after cases with major complications

Learning Objectives (cont.)

1. Discuss key interventions with peers for:
 1. adopting the **Eat, Sleep, Console Care Tool** for NAS
 2. implementing **Plans of Safe Care** guidance;
 3. adhering to **post-partum hemorrhage protocols**;
 4. adopting **post-partum hypertension protocols in the ED**; and/or
 5. reducing **time to severe hypertension treatment**
2. Identify **next steps** for your PA PQC team's QI plans

We designed this session based on:

- **PA PQC's Driver Diagram**
- **Your** quality improvement projects
- **Your** suggestions from the June PA PQC session
 - Pair people with similar challenges/successes
 - Focus on “how to” information for MDWISE / Plans of Safe Care
 - Involve community based organizations
 - Add breakouts on Eat Sleep Console (NAS), hypertension, and hemorrhage
- **Improvement opportunities you raised in past PA PQC Knowledge Cafés**
 - Post-partum hypertension protocols in the ED
- **Findings from your baseline PA PQC surveys:**
 - 12% of sites had a process in place to provide ongoing OUD sensitivity training
 - Average of 51% of nurses at sites completed training on validated assessments for NAS
 - 60% of sites developed a Plan of Safe Care for all pregnant women with OUD prior to discharge

Continuing Education Information

5.5 contact hours of continuing education (CNE, CME) will be awarded to participants that attend the session and complete the evaluation.

Other disciplines may use the certificate for state or national organizations. Please refer to your state regulations.

The Jewish Healthcare Foundation is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Continuing Education Information

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the **Accreditation Council for Continuing Medical Education (ACCME)** through the joint providership of University of Pittsburgh School of Medicine and the Jewish Healthcare Foundation. The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of **5.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education Information

This program is offered for **5.5 hours of social work continuing education** through co-sponsorship of the University of Pittsburgh's School of Social Work, a Council on Social Work Education-accredited school and, therefore, a PA pre-approved provider of social work continuing education. These credit hours satisfy requirements for LSW/LCSW, LPC and LMFT biennial license renewal. For information on social work continuing education call (412) 624-6902.

Disclosures

Successful completion of the training

- Requires participation in full length of session
- No partial credit will be rewarded for this event

Conflicts of Interest

- All planners and presenters have signed Conflict of Interest Disclosures
- All disclosed conflicts of interest have been resolved

Commercial Support

- No commercial support has been received

No recording of any kind, please
